

Murcia, June 9th, 2016

I hereby certify that Prof. Dr. Guoyin Li has participated as a plenary speaker in the meeting “VI International Conference in Optimization Theory and its Applications (ALEL2016)” held in dependences of the Polytechnic University of Cartagena (Murcia, Spain) between 6 and 8 of June of 2016. Moreover, the title of his lecture was

*Error bounds for parametric polynomial systems with applications to higher-order stability analysis and convergence rate.*

In witness whereof

A handwritten signature in blue ink, appearing to read 'Matías Raja Baño', written over a light blue grid background.
